

CHAL-0686

12 June 1959

MEMORANDUM FOR THE RECORD

SUBJECT : Concurrence in Amendment No. 1 to Contract  
No. SE-509 with Granger Associates, Palo  
Alto, California, Project CHALICE

1. This memorandum contains a recommendation submitted for concurrence of the undersigned. Such recommendation is contained in Paragraph 5.

2. Contract No. SE-509 covers the procurement of two (2) Radar Repeater Jammers for installation in the U-2 Aircraft. Amendment No. 1 incorporates a general specification for the units, procures a quantity of spare parts as contemplated by the definitive contract and sets forth the Government furnished property being made available to the Contractor.

3. Amendment No. 1 obligates an additional amount of \$18,560.00 chargeable to Fiscal Year 1959, Project CHALICE funds. This results in a total obligation of \$89,912.00. This increase is authorized by Program Approval CHAL-0657. By concurrence to this memorandum the Comptroller signifies that sufficient funds are available and that funds have been obligated as provided above.

4. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956 which, in effect, results in all 8(b) expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 8(b) of Public Law 110, 81st Congress, (formerly 10(b) see 85-507 dtd 7/7/58) for each contract.

5. Concurrence in Amendment No. 1 to Contract No. SE-509 is recommended.
